Hockey Results

WRAS hockey athletes Tim Eslick and David Reid and Graduate athlete Troy Scott recently travelled to Cape Town, South Africa for the Under 18 International Hockey Festival. The boys were all members of the NSWBR Kelly Blues team that claimed the Gold medal. It was a close final match with the NSW side winning in golden goal extra time after scores were nil all at full time.

David was also name goalie of the tournament after not conceding a goal in any game including the final.

WRAS Hockey Head Coach, Wally Gaynor coached the NSW Country Women's team in the Australian Country Championships to a gold medal. The team went into the final against Victoria as competition favourites after beating Victoria 5-1 in the first round. They completed the game with a 5-1 win and made it a 3rd consecutive championship win for NSW Country. In addition to the final win, the team also remained undefeated throughout the entire tournament.

Congratulations!!

Lawn Bowls Tournament

The WRAS Lawn Bowls squad travelled to Canberra last weekend to compete against the ACT State Lawn Bowls team. In the first test the scores were locked at 4 all however WRAS won on a count back.

The second test once again saw WRAS come out in front however this time with a more significant win of 5-3. Congratulations on such a successful weekend!

Jillaroos Just Miss Out on Semi Finals

The Jillaroos just fell short of receiving a position in the World Cup semi finals in Boston, USA. WRAS graduate athletes Rachel Miller and Tasmin Lee as well as current WRAS scholarship holder Jade Warrender have all had made extensive contributions to the team however the team ended their chance of medal contentions after a draw against England earlier in the week. The Jillaroos will now play China on Sunday for 5th position.

Basketball Achievements

Recently five WRAS basketball athletes were selected in the 2009 Under 16 All Star Camp. Hannah Lepaio, Stevie Smith, Luke Simms, Laurence Mifsud and Mikaela Cato will be travelling to the Central Coast in early October to participate in the development tournament. The weekend will consist of training from some of the state's best coaches as well a tournament once split into teams.

Congratulations!

New sports course offered at CSU

Charles Sturt University has recently launched the Graduate Diploma of Sports Management (Sports Law) which has been developed in response to an increasing need from the sporting industry. This program is directed towards those individuals involved in organisation and governance of sports.

The sporting environment has irrevocably changed over recent years, and Law has become an integral component of the contemporary sporting arena. As a result more demands are placed upon administrators, agents, coaches and participants – the Graduate Diploma of Sports Management (Sports Law) provides graduates with a sound legal knowledge specific to sport that is vital in order to compete in this field.

CHARLES STURT
UNIVERSITY
